

Town Hall, High Street, Stonehouse, Glos GL10 2NG

Council Strategy Document

- Reviewed March 2016 (TC1703) Next Review Date March 2017

In 2015-2020 the Council's Strategy will be to work alone, and with others, to enhance and protect facilities and services in Stonehouse.

It will deliver this Strategy by:

1. **The Council will ensure assets in its care are maintained, fully utilised and add value.**

Redevelopment and renewal of Council facilities to bring long term benefit
Improving accessibility and security of Council facilities
Increasing usage of hired facilities to provide income
Managing land in a sustainable way
Planning for renewal of equipment
Seeking funding

2. **The Council will endeavour to improve and protect services and facilities which are important to the sustainability of the town by:**

Facilitating the success of the Neighbourhood Plan
Contributing to the improvement of strategic sites i.e. stations, canals, Cotswold Way,
Contributing to consultations on strategic plans i.e. Local Plans, Infrastructure and Transport Plans
Consultation with the community through a variety of channels
Communicating with other Local Authorities/Public Bodies to achieve positive outcomes
Developing cluster working where appropriate
Influencing planning decisions and redevelopment of redundant buildings
Promoting Stonehouse in a positive light
Improving the town environment
