Dear Mr Keck,

Verney Fields, Stonehouse: Proposal to designate as Local Green Space in the draft Stonehouse Neighbourhood Plan

The draft Stonehouse Neighbourhood Plan is seeking to introduce a Local Green Spaces Policy which proposes that five local green spaces be designated in accordance with the provisions of Paragraph 77 of the National Planning Policy Framework.

We are writing to inform you that part of your land at Verney Fields, Stonehouse is proposed to be designated as a local green space. This designation can be used in Local and Neighbourhood Plans to give protection against development for green areas of particular importance to local communities.

I attach:

- a map of the area proposed for local green space designation
- a justification document summarising the reasons for the proposed designation
- a checklist identifying how the criteria for designation are met

There is also a set of supporting documents listed on p.2 of the justification document. These will shortly be available on the Stonehouse Neighbourhood Plan web pages (<http://www.stonehousetowncouncil.com/the-council/stonehouse-neighbourhood-plan/>) but copies can be provided if you would like to see them.

If you have any comments on this proposal, please contact me.

Yours sincerely,

Rachel Russell
Committee Clerk (Regeneration and Environment)
Stonehouse Town Council

Stonehouse Neighbourhood Plan is kindly funded by a Grant from Locality and Stonehouse Town Council

Encs.
