

Transport	Development	About	Employment	Facilities	Environment/Green Spaces
Open the train station for Bristol	improve meadow rd area, gully's	Attracting people from a wider area like the feel of the place	Have to recognize developers have options on land for Stonehouse to M5 - focus on how that development can be linked to Stonehouse so section 106 and CIL benefits the town	more facilities for children/young people especially in the evenings and at weekends. Like sport, groups community group groups etc)	keep all the green spaces and playgrounds. We only have a small garden and the choice of parks is really good. corridor between river and canal is really important for bats as is Doverow Hill. Bat boxes on new development.
Enforcing the speed limits on the High Street	street cleaning needed - dog mess, fish and chip, Gloucester Road weeds on pavement etc	Noisy kids at Meadow Road Police come out more	Town - no historic trail for Stonehouse - Doomsday book link. footbridge in middle of industrial Estate should be re-built - cycle & pedestrian links into TC.	more sports facilities	
Re-open old station. Good transport links	clear cycle path through the town to link to cycle track to Nailsworth	love Stonehouse, why change it		another top quality supermarket (M&S or Waitrose)	path down to Stonehouse Court full of litter used to have more housemartins. Need a positive policy for wildlife. New development of more than three storeys needs boxes in.
Get rid of the parking outside the Co-Op it narrows the area, obstructs vision and is dangerous!!	Friendly people	Town Centre draws people for shopping from Quedgely, Glos etc leave it as it is - lovely village needs no change. Not commercialised.	Better links from canal to TC and Ind Estate	some tennis courts for public use	
More reminders of speed limits on High Street	Friendly people and safe environment	Stonehouse is a good centre, trains, busses. Good community feel, good shops. Keep it going. Keep 'Village' feel, keep originality. So many individual shops/train station etc. Lots of flowers/grass verges - nice to see old buildings together (written by visitors)	Stonehouse doesn't make enough of the Cotswold Way Wootton does. 1000s of people walk it.	improved recycling facilities	OK to redevelop Stagholt for community use and a few houses.
Traffic slowing scheme extended speed bumps all along Gloucester Road.			Stonehouse needs a big white collar employer in the town centre would transport the town. Scumberger employee who is registered with Doctor, dentist here and gets haircut here during lunchtime.	- leisure centre, swimming pool, gym facilities for young people	Stonehouse was really good for Swifts - enhance this do a survey only 3 or 4 pairs left.
get rid of speed bumps - et speed warnings only. Too slow coming out of Co-Op car park		Elm Rd youth centre to be Old Peoples bungalows		a larger community centre needed	more allotments Stagholt Park.
Double yellow lines outside banks as this is creating hazards				Tennis courts for public use good car park - stop Queens Rd car parking, good price car park. Multi storey car park, better station car park.	identify green space for recreation use. Enhance natural and semi natural habitats - along railway lines etc Roundabout by Dairy Crest is a mess - A1 builders needs tidying up. And railway bridge by park terrace needs to be improved.
More cycle paths - also good for walkers e.g. a route from Stonehouse to Eastington				Small Marks and Spencer food shop in Stonehouse Sports Centre at Oldends Lane. Community centre for sports - tennis badminton, offices and social centre	More flowers in town
Stop all parking along High Street					
Shelter on Train Station platform					
parking on double yellow lines at Queens Road. Need lights at Queens Rd/ High St crossing for pedestrians				sports development in Oldends - cricket, tennis, football.	don't build on green fields
Electric car charging point in Stonehouse - people stop in town to rapid charge so look at town				make more community use of Maidenhill school	please keep green spaces for the good of humans and nature European protected species in Stonehouse. Bats, Newts and Otters
Yes re-open the Bristol Road Station where it was (not Standish a crazy idea)				community centre in Laburnum seems a bit small. Need something else.	should be wild spaces and health and leisure. Health should include mental health. more trees, plants, flowers along High Street - have really enjoyed hanging baskets this summer. And more of a place sit on high street.
Speed limit on B4008 at Arrowsmith Drive - need policing there				Apperley Centre needs more outside play area	
Build station, Bristol Road				community centre expanded more facilities for elderly, courses in evenings etc. much needed - better community hall for public events/performance. Maintenance of footpaths especially further out of town. Keep the facilities flying!	having quick access to countryside/green spaces.
re-open railway station					
train station to Bristol				Cinema, swimming pool for rehabilitation	Keep green spaces for everyone No more houses keep it green.
Electricity charging for cars in Stonehouse Station				KFC more facilities for pre-school age children/young people. i.e. swimming courses activities, sport activities.	no more houses on our green land. no more houses on our green spaces. Keep walks clear. Doverow Hill is Stonehouse biggest asset. Keep it! And clean up dog mess.
Re-open Station on Bristol line					
re-build station				restaurant - Harvester	
build the Bristol line station					
speed cameras on High Street, improvement on crossings
