

**TEMPORARY CLOSURE OF VARIOUS FOOTPATHS AND STROUD VALLEY
TOWPATH BETWEEN BOND MILLS AND WIMBERLEY MILLS (VARIOUS
PARISHES) STROUD DISTRICT**

NOTICE is hereby given that the Secretary of State for Transport has extended the Order to close temporarily under Sections 14, 15 and 16 of the Road Traffic Regulation Act, 1984 (as amended) part of Various Footpaths and Canal Towpath between Bond Mills and Wimberley Mills as described in the Schedule below.

The Various Footpaths and Towpath fall within the Parishes of Brimscombe and Thrupp and Cainscross and also Stroud and Stonehouse Town Councils within the Stroud District.

The closures are necessary for ongoing maintenance and construction works associated with the Canal Restoration Project.

This temporary closure Order came into force on 25th February 2019. However, works have still not completed, and an extension has been granted by the Secretary of State for Transport and will last until the 25th February 2021 or until the completion of the works, whichever is the earlier.

The footpaths and towpath are expected to be closed during various times on a rolling programme continuing from 26th August 2019 where the presence of approved signage will indicate whether the closures are in force. Further advance warnings of dates/times will be displayed on site prior to the closures taking effect. This order can permit the closure of the footpaths and towpath in any order, or simultaneously as required and it is anticipated all works will be completed by 25th February 2021. For further information, please contact Gloucestershire Highways on **08000 514 514** or visit www.gloucestershire.gov.uk.

Proposed alternative route; As signed on site.

Pedestrian access to properties and emergency access will be maintained for the duration of the works.
