09 October 2017

Dear Neighbour

Oldends Lane Bridge – Stonehouse

As part of our Railway Upgrade Plan, we will shortly begin improvement work to the railway near your property. Please accept our apologies in advance for any disturbance it may cause you.

Why do we need to undertake this work?

We are carrying out repairs to the railway bridge over Oldends Lane near to Ryelands Road. This will improve safety and reduce the need for further work in the near future.

What is the work involved?

We will be carrying out brickwork repairs which are likely to be noisy. Throughout the work, there will be a road closure and diversion route in place for your safety (please see overleaf for further details)

When will the work take place?

The work will take place between 28 October 2017 and 17 December 2017

- Between 28 October 2017 and 27 November (Complete Road Closure)
- Between 28 November 2017 and 17 December (Road Closed Saturday Nights only 10:00pm until 10:00am).

I can advise that we will not be working continuously for the duration of the work.

How we will manage the impact on our neighbours?

We recognise that construction work on the railway can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but please be assured that every effort is made to minimise any

unnecessary noise and we have reminded all staff to be considerate to our neighbours.

Contact Us

I hope this information is helpful and we apologise for any inconvenience these essential works may cause.

However, if you have any additional questions or concerns about the work taking place in your area please call our dedicated 24-hour National Helpline on: **03457 11 41 41**, visit www.networkrail.co.uk/contactus or email crwest@networkrail.co.uk.

Yours faithfully

Shaun McEvoy
